SWIM TEST & YOUTH WATER SAFETY POLICY

All swimmers under the age of 13 are required to pass a swim test before being allowed to be in a YMCA pool area without direct adult supervision, or using either the indoor or outdoor slide. Swimmers may NOT wear goggles while taking the swim test or going down the slides.

The swim test consists of swimming the length of the pool during which youth are asked to:

- Jump into the pool, and immediately begin swimming in any stroke without pushing off the wall, and then tread water for 30 seconds.
- Swim in a horizontal position on top of the water using a forward crawl stroke. The swimmer's arms must exit the water with full extension on every stroke, and they must maintain their swim for at least 3/4 of the swim. Pausing is only allowed when the swimmer is rotating or turning to breathe.
- Exit the pool without assistance using either the wall or pool ladder.
